**Aquascope Hokusai
Black Dial**

Ref : 60400-11G608-FK6A

This version of the Aquascope pays homage to Japanese artist Hokusai's "The Great Wave at Kanagawa". Housed in a vertically satin-finished and polished black DLC-coated steel case and matching bezel is a dial with an engraved wave motif, set with suspended black nickel indexes and hands with red luminescent paint. The watch comes on a black rubber strap.
