## Terrascope Chrono Carbon Arsenal

Ref : 60550-36-602-FB6A

The all black Terrascope catches the eye with its multi-layer black carbon fiber case and the black carbon fiber bezel. This new method of spinning the fiber makes the timepiece even more resistant. A hint of Arsenal red features on the dial and accentuates the Football Club's Canon Emblem. The sporty-elegant look is completed by the black "Rubbergator" strap. Limited and numbered edition of 50 pieces. It comes with a 30 cm JEANRICHARD wall-clock and a certificate of authenticity signed by three different Arsenal players.
