aquascope

White Dial, Blue and Orange Bezel

Ref : 60400-11J708-FB4A

An Aquascope with a truly maritime look. This version of the Aquascope features a vertically satin-finished and polished steel case with a satin-finished rotating bezel in blue and orange eloxed aluminum. The dial is done in matt white with suspended blue and orange indexes and faceted hands with orange luminescent material.
