

JR
JEANRICHARD
1681

1681

Black dial

Ref : 60320-11-653-HB6A

A unique play on colors, this version of the 1681 features a sandblasted steel case with a brown PVD coating, paired with a matt black set with black nickel alternating indexes and Arabic numerals. To add legibility, beige luminescent paint is applied to the black hands. The watch is equipped with the in-house manufactured JR1000 movement and comes on a black Barenia® calfskin strap.
